Corbin's Exotic Pets Newsletter

January 2009

Dear Jennifer,

First, we must thank *everyone* for their patience during our construction. If you've stopped in lately, you know what we're talking about! Unfortunately, there was a delay in our new shelving, which started a waterfall effect. Hopefully by mid-February, we'll be back in order. We invite everyone to stop by this month to see the new space... and don't forget your coupon!

We also had a successful opening to our private room with our 'So you think you want a snake' seminar. It was a success, and we look forward to using the room for many more informational seminars. Please let us know what you would like to learn about by emailing jennifer@corbinspets.com.

We're also excited at the excellent response we've received on our birthday parties. If your child is looking for a unique party, give us a call!

We also invite everyone out with us to the [Marengo-Union Business Expo](#) February 14-15th (see below) and the [Midwest Museum of Natural History](#) on February 21st for their Groundhog Gala event.

Sincerely,

Mark and Jennifer Corbin

Stop by the [Marengo Expo](#) and visit our photo booth! Always wanted a photo with Cheif, our Burmese Python? Or maybe you wanted a photo with Tank, our Black Throat Monitor? Well, this is your chance! We'll be taking photos with Cheif and Tank all weekend, so stop by. You'll also get to see some of the other great vendors and events, like the karaoke contest!

Saltwater Seminar

Learn how to start and be successful!

Have you always wanted a saltwater aquarium, but think it's way to difficult? Or maybe you've tried and failed? Come to our Saltwater Seminar on Saturday, February 28th at noon and learn how you can start a saltwater aquarium and be successful! Saltwater experts, Mark and Zach, will show you just how easy it is. Even if you already have a tank, we invite you to join! The seminar is free and all attendees will receive a coupon. Call or email jennifer@corbinspets.com to sign up!

Featured Product

Greenies Dog and Cat Treats

Since February is Pet Dental Month, there's no better item to feature than the Greenies Dog and Cat Treats. These treats are a great way to keep your pets happy and their teeth healthy. One study showed that a giving Greenie a day showed a 69% reduction in tartar and a 10% reduction in plaque... and to top it off, it freshens your pet's breath! Greenies are a soft treat that are easy to swallow and digest.

What's Hatching this Month...

Hedgehogs

Date born: 11/13/08-11/17/08

Date available: 1/22/09

Price: \$150 each

Well technically, they're not hatching, but we were excited to see 5 baby hedgehogs born mid-January!

Status: We begin handling these cuties at approximately 10 days old. If we handle them any sooner, their mom will get mad! We take pride in raising

our own hedgehogs... they're always very friendly because of all the TLC they get! Hedgehogs make very good pets. They require a large home with many levels and eat a hedgehog specific dry food, along with a mix of wet cat food, crickets, and superworms. They require daily attention, and may not be suitable for young first time small animal owner. Baby hedgehogs are available at 5 weeks, and these will be available in early March. Call to reserve yours today!

**25%
OFF
any item in
February!**
